Motivated chemical engineering student with strong leadership, research, and data analysis skills, eager to contribute to the scientific and engineering research community.

EDUCATION

Bachelor of Science in Chemical Engineering (ChE)	July 2022-
Bangladesh University of Engineering and Technology (BUET)	
- CGPA: 3.78/4.00 (5 terms) - Dean's list award for maintaining high CGPA for consecutive two academic years - Merit list scholarship for four semesters	

LEADERSHIP EXPERIENCES

Regional Chair	Aug 2025-
Southern Asia Regional Subcommittee, AIChE	
Leading 6 liaisons for the better communication between 50+ chapters in the southern asia region.	
Regional Liaison	Aug 2024- Aug 2025
Southern Asia Regional Subcommittee, AIChE	
- Facilitated communication between 14 chapters across the region - Developed strategies to enhance regional engagement and collaboration	
Co-chair, Events Management Team	May 2025-
Executive, Events Management Team	Feb 2024-May 2025
BUET AIChE Student Chapter	
- Organized and managed events, worked as an invigilator for events to foster student engagement - Coordinated with team members to ensure the smooth execution of chapter activities	

RESEARCH EXPERIENCES

Undergraduate Researcher	April 2025-
Points of Care Testing (POCT) research group	
Contributing to a literature review: Conducted a structured literature review on CRISPR-based diagnostic platforms, focusing on CRISPR classes, mechanisms, and pioneering diagnostic technologies.	
Applied Bioengineering Research Incubator (ABRI)	Feb 2024-March 2025
Synthesized cellulose oxalate sorbent from waste newspaper through chemical modification and characterized its adsorption capability for removing antibiotic residues from wastewater.	

TECHNICAL SKILLS

- Data Analysis Tools:** SPSS, Origin
- Programming Knowledge:** Python, MATLAB
- Office Tools:** Microsoft Excel, Microsoft Word, Microsoft PowerPoint
- Research Tools:** UV spectrometer, FTIR

ADDITIONAL INFORMATION

Languages

Bengali, English and Hindi

Volunteering experiences

- Volunteered organizing Chemical Day 2023,2023-24,2024
- Co-ordinated 5 volunteers in the US Edu-fair 2024
- Aided the arrangement of Environment Day, 2023
